

Pawsitivity Adoption Agreement

My signature below indicates that I have read and that I agree fully to the terms and conditions of the agreement between me and the rescuer/foster of the cats.

Animal NameGender.....Estimated Age.....

* Adopter understands that kittens/cats available for adoption have been rescued from a variety of situations, including neglect/abuse, as such could be subject to health or behavioral problems not known at this time. Adopter agrees and accepts the kitten/cat with this understanding.

* The kittens/cats are healthy and up to date on all vaccines and medical treatments which were necessary for the health of the kitten/cat. Rescuer/foster makes no further guarantees or warranties of any kind for the health of the kitten/cat and that the adopter assumes all risks at/from the time of initial possession and following.

*Adopter understands full responsibility for the health and welfare of the adopted kitten/cat for the duration of the natural life. The responsibility includes all costs for veterinary and health needs, housing and shelter, food and any other expenses related to the care and welfare.

*Adopter agrees to contact a veterinarian within two weeks to follow up vaccines, if needed.

*Adopter understands that declawing cats is a cruel procedure and will not do that to the adopted kitten/cat.

* Adopter agrees to pay the adoption fee/donation \$.....
